

Dukes Conservation District Meeting

AGENDA

Date: 16February 2016

Time: 1:15 p.m.

Location: Robert E. Rose Town Garage, 347 County Road Oak Bluffs, MA 02557

Treasurer's report:

Approval of minutes: January 26

NRCS report:

Other business:

Discussion of application for State funds in response to the Conservation District Innovation RFP

Possible projects:

Culch purchase for enhanced oyster habitat

Create a video highlighting Mia's efforts here on the island that could be shown at several venues and likely apply to other districts?

Dam removal – Mill Pond?

Some sort of pilot/demonstration project looking at reducing/mitigating excess nitrogen load to our coastal ponds?

Partner with towns, MVSG, to purchase oyster seed for the 2017 season selling the environmental services including N mitigation?

Fund additional goat scraping?

Assist NGOs to develop new trails and interpreted sites to promote stewardship?

Outstanding Statements:

Next meeting:

Adjourned
