AGENDA

1. Jetty project update

3. Request from Mark Crossland to replace his boat that sank, with his Son's boat
4. Fuel repair update and possible discussion
5. Commercial Fishing Boats regulations.
Emily would like more clarification on them and further is it limited to Oak Bluffs Residents and or Taxpayers only?
I will forward current Regulations
6. Request for discussion from Harbormaster to add Porta-Potties or Porta-Potty trailer by the Harbor Master's office.
This would require a vote by Selectboard.

Do we currently have any and how do we want to move forward on them.
