<https://oakbluffs.zoom.us/j/99073161781?pwd=eXlrczBodG1Hcnd3L3dZanpnTlBjZz09>

or by phone: +1 646 558 8656 US (New York)

**Meeting ID: 990 7316 1781 • Pass code: 510961**

*Please include your full name and/or organization in order to be let into the meeting.*

## **AGENDA**

1. Call meeting to order
2. Eversource Presentation – As part of the cable project to Oak Bluffs, Eversource is rebuilding the circuit on Barnes Road from the intersection of County Road and Edgartown Vineyard Haven Road. The rebuild consists of the replacement of existing poles, the installation of new mid-span poles and all new wire and equipment as needed to create a more resilient circuit that supplies the town and supports neighboring communities.

Additional note from Dion: We met with Ronit and Eversource last week on a Barnes Road infrastructure upgrade in the fall of 23 that will enhance the benefits of the 5<sup>th</sup> cable. It was suggested that Eversource brief the Energy Committee and discuss having an outreach event to discuss the project etc. There are also plans for New York Ave down through Lake Street, Dukes County Ave, Wing Road in 2024 (target).

3. Climate & Energy Advisory Committee – feedback, questions, discussion
4. Motion to Adjourn

*The listing of matters are those reasonably anticipated by the Chair, which may be discussed at the meeting. Not all items may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.*
