On July 16th, 2022, Governor Baker signed into Law An Act Relative to Extending Certain State of Emergency Accommodations, which, among other things, extends the provisions pertaining to the Open Meeting Law to March 31, 2023. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide “adequate, alternative” access to remote meetings. The Act does not make any new changes to the Open Meeting Law other than extending the expiration date of the temporary provisions regarding remote meanings.

For this meeting, members of the public who wish to listen in, and/or watch the meeting, may do so in the following manner:
