MV Little League

President of MV Little League (MVLL) Jason Napier advised that most places in Massachusetts plan on having a season this year and the guidelines are evolving. They plan to start around May 1<sup>st</sup> through the last week of school in June. He said that Veira Park had the infield replaced, the irrigation repaired as well as some other minor repairs. Due to these repairs, they would rather have anyone use the field until it has time to settle.

Commissioner Tony Lima asked if they thought about putting up gates to keep dogs out.

Jason replied that would be a good idea; they have them at Penn Field because signage does not work.

Commissioners agreed to have lifeguards for 2021 and may need to hire an Assistant Director. They also discussed fixing the fence along Sea View Avenue.

Next meeting will be Monday, March 15<sup>th</sup>.

Meeting adjourned.
