

Oak Bluffs Climate and Energy Advisory Committee

Meeting Minutes

Monday, April 4, 2022

Attendance: Bill Cleary, Marilyn Miller, Richard Toole, Simon Shapiro, Peter Meleney

Absent: Dion Alley, Craig Saunders

Topic 1: call meeting to order

Bill called the meeting to order on Zoom at 3:30 pm.

Topic 2: Approve C&E meeting minutes for March 7, 2022

Peter said that Marilyn had proposed some clarifications that he had not had time to incorporate so he suggested that we hold off approval until the next meeting.

Topic 3: CAP/Climate Action Plan update

Bill reported that he had attended the 3/30/22 Town workshop and that he thought it had been helpful. He then initiated a discussion of our public outreach as a committee. He suggested that maybe we could use mailing lists from the library, COA, ICAN and/or the Town with tax bills or something the Town Clerk sends out.

Topic 4: Climate Action Week May 8-14, 2022

Bill said that he would check with the liaison person about what role we might play and he would let us know.

Topic 5: CLC 2022 Rebate program updates

Not discussed

Topic 6: Green Communities

Bill reported that the state approval people want us to be more specific about our 5-year plans and that he would check with Craig updating the ERP with additional ECMs for the next 5 years. He asked Peter and Si to check with Wendy about the current Town vehicle inventory and figure out how we can help with future more fuel-efficient replacements.

Topic 7: Committee member project reports and discussions

(I don't have any notes on any discussions under this topic.)

Topic 8: Next meeting

Marilyn reminded everyone that our next meeting is on Monday, May 2, 2022 at 3:30 pm. The committee decided to meet on Zoom.

Topic 9: Adjourn

The committee voted to adjourn at 4:43 pm.

Respectfully submitted by,

Peter L. Meleney
