1:00PM – Enforcement Order at 268 East Chop Drive M1 P20 Property Belonging to Ann Melvin –

The Conservation Commission met the relevant parties at 268 East Chop Drive. Neither Ann Melvin, the property owner, nor a representative for her, were present. The group went to the back of the property to survey the site of vegetation clearing and cutting. Garrett Albiston asked for a rough indication of the property line between the Shepards' and Ann Melvin. Joan Hughes noted stakes in the ground that had been tagged. The group began at the northern portion of the property and exited via Marginal Street on the southern edge of the property.
