

INTRODUCTION

A tax exemption is a discharge from the obligation to pay all or a portion of a tax. Exemptions are conferred by the Legislature on particular categories of persons or property.

Clauses 22, 22A, 22B, 22C, 22D, 22E and 22F of section 5 of Chapter 59 provide exemptions to certain veterans (and their spouses or surviving spouses) who were not dishonorably discharged and who meet certain residency requirements.

APPLICATIONS

Applications must be filed annually with the local assessors in the city or town where the property is located on or before December 15th, or three months after the actual tax bills are mailed, whichever is later. Filing an application does not entitle the applicant to a delay in tax payment.

RESIDENCY REQUIREMENTS

An individual must (1) have been a Massachusetts domiciliary prior to entering the service or (2) have lived in Massachusetts for not less than 2 years prior to filing for exemption or, in those communities which have accepted the alternative local option provision, for not less than 1 year prior to filing.

- 2 The holder of a life estate satisfies the ownership requirement.
- 3 If the domicile is held in a trust, a person can only satisfy the ownership interest if he:
 - a) Is a trustee or co-trustee of that trust .
