RE: The Cape Cod Five Hyannis Banking Center Project -1520/1582 Iyannough Rd, Hyannis MA 02601

To whom it may concern;

The Cape Cod Five Cent Savings Bank has entered into a lease agreement with Mark Wallace of MarMik LLC as the owner of the property at 27 Lake Avenue, Oak Bluffs MA 02557 to install a 179 sq. ft. ATM Kiosk.

We anticipate the project to take approximate 8 weeks to construct, including the installation of a concrete pad, and the kiosk delivery and installation. We estimate the site work at the property which would include the removal of a small wooden shed and installation of the concrete pad as shown on the Architects plans to cost approximately \$30,000.00. The Kiosk will cost approximately \$75,000.00 for the manufacture, delivery, and installation.

The Landlord nor Cape Cod 5 will be building any dwellings at this location and therefore there will not be any acreage in residential use, issues with off street loading requirements, or forms of ownership contemplated for the property. Cape Cod 5 will take care of the maintenance of the Kiosk and the Landlord will continue to maintain its existing structure and parking lot at 27 Lake Avenue to allow appropriate access to the ATM.

Cape Cod 5 would request a Waiver of Technical Compliance for this project, as the project involves a relatively simple development plan with minimal changes to the existing site plan. The simple kiosk structure will sit on a new concrete pad, and does not require any drainage or significant changes to the site or parking lot. Please see attached stamped Architectural and Site Plans for your reference.

Please let us know if there are any questions on this matter

Sincerely,

Christopher W. Raber
SVP/ Chief Real Estate Officer
