Petitioning the Zoning Board of Appeals

The Zoning Board of Appeals may be petitioned to grant a **special permit** or a **variance** or to **review** a zoning decision or inaction of any of the permit granting authorities in Oak Bluffs by any person aggrieved by reason of his inability to obtain a permit or enforcement action.

Special Permits and Variances:

Persons who believe that they might need a Special Permit or a variance should also apply for a Building Permit. This will reduce the amount of lead time associated with the permit review and may eliminate the need for a public hearing entirely. It will also help the applicant by ensuring that applicant provides all of the information necessary that the Zoning Board of Appeals needs in order to render a decision.

If you wish to **appeal** a zoning decision or Building Inspectors failure to act proceed to step 3. Plans are generally not required for an appeal. but you should supply the board with any information relevant to the case.

1. Complete the Town Building Permit Application, and obtain signatures from the following Departments:
Assessors Tax collector Conservation
2. Complete this ZBA application Form. Indicate whether a special permit or variance is being sought and under which section(s) of zoning the application is being made. This is done either by the applicant or his/her representative with a letter stating such. The form **must** be signed by the property owner.
3. Proceed to the Town Hall Building Assessor's Office. Pay \$28.00 for a 300' Abutter's Parcel List. From that office you will receive a list of certified abutters, 2 maps and mailing labels.
(NOTE: YOU WILL BE BILLED FOR THE PUBLIC HEARING NOTICE THAT, BY STATE LAW, MUST BE ADVERTISED IN THE LOCAL PAPERS TWO WEEKS PRIOR TO YOUR MEETING WITH THE ZBA.)
