

NANTUCKET SHEDS™

"Building a Proud New England Tradition"

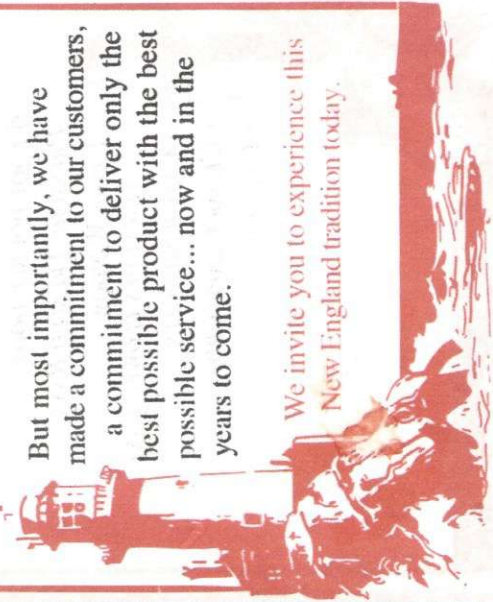

Nantucket Sheds proudly serves New England with some of the finest garden sheds available anywhere in the country. Our founders have over thirty years of crafting experience building and crafting attractive, high quality structures that last for years and years.

Two Nantucket Sheds are alike, because two customers are alike. We take the time to help each customer select exactly the right shed for his or her taste, needs, and location. In fact, we build each shed right on the property, so our customers can see the quality of workmanship, firsthand.

Nantucket Sheds, we use only the finest building materials, which means that our customers enjoy attractive, low maintenance, long-lasting structures. We also offer a wide variety of styles, sizes and options.

But most importantly, we have made a commitment to our customers, a commitment to deliver only the best possible product with the best possible service... now and in the years to come.

We invite you to experience this New England tradition today.
