Dear Members of the Zoning Board,

We are writing in support of rebuilding 43 Farm Pond Road in the lovely community of Harthaven. We live on Farm Pond Road six months of the year and believe this project will complement and enhance the neighborhood.

We have reviewed the proposed design and believe it will make the home more comfortable for the family. The Sullivan's have contributed greatly to the island and have always been congenial neighbors.

Thank you for your consideration.

Regards,  
Shirley and Elliott Hall  
16 Farm Pond Road
