Re: Sullivan Special Permit Application - 43 Farm Pond Road  
Hearing April 19, 2023

Dear Members of the Zoning Board of Appeals -

The applicants have sent me their application. I write to inform you that I support it and wish them well in the specified improvements to their property. The slight increase in height is not a concern. The new building and the changes to access are important for the care and well-being of our neighbors, and will be appreciated and admired by all of us in the neighborhood.

Sincerely,

Peter A. Pease
